

HENRY CAO
Executive Vice President
Sales & Marketing, China Region
STMicroelectronics

Henry Cao is Executive Vice President, Sales & Marketing for STMicroelectronics' China Region and has held this position since January 2022.

Cao began his career as Account Manager at Siemens Communications Group in 1995 in charge of the communication-infrastructure business. In the following years, he moved among roles as Business Development Manager and Sales Director in various Siemens BUs and corporate functions in Munich, Beijing, and Shanghai. In 2006, Cao joined Dell Technologies as a Director, managing enterprise solutions covering server, storage, networking, and related software & service businesses. In 2014, he was appointed Vice President in charge of the data-center solutions business for Dell Technologies in Greater China and was promoted to Senior Vice President in 2018. Cao joined ST in June 2020 as Corporate Vice President to manage the Company's sales in China.

Henry Cao was born in Shanghai, China, in 1973. He graduated from Shanghai University of Engineering & Science with a degree in Mechanical & Electrical Engineering and holds an MBA degree from Washington University in St. Louis.
