# Accelerating the deployment of edge AI

**Discover the ST Edge AI Suite**

# A comprehensive approach to help developers accelerate their product transformation

By bringing solutions to **engineers and data scientists** at **every stage of their development**, the ST Edge AI Suite accelerates edge AI adoption.

## ST Edge AI Suite

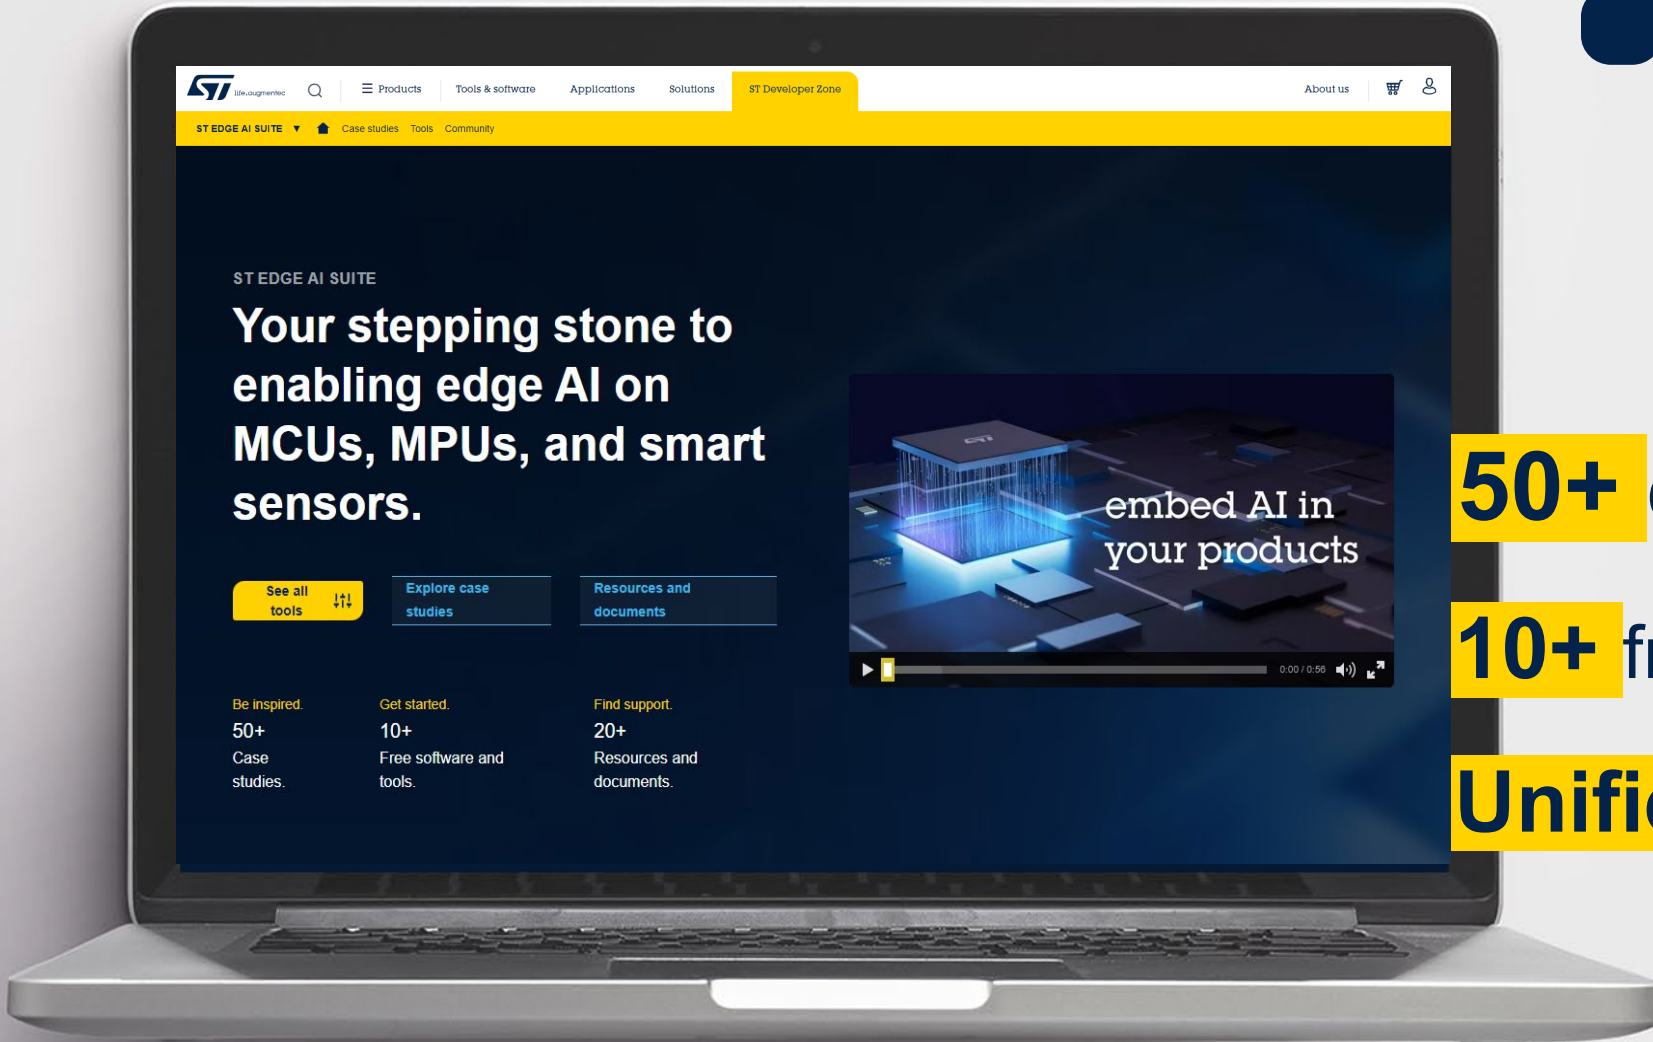

**10+** free software tools

**50+** case studies

**20+** resources

# ST Edge AI Suite

**50+** case studies

**10+** free software tools

**Unified** AI core technology

# ST Edge AI Suite

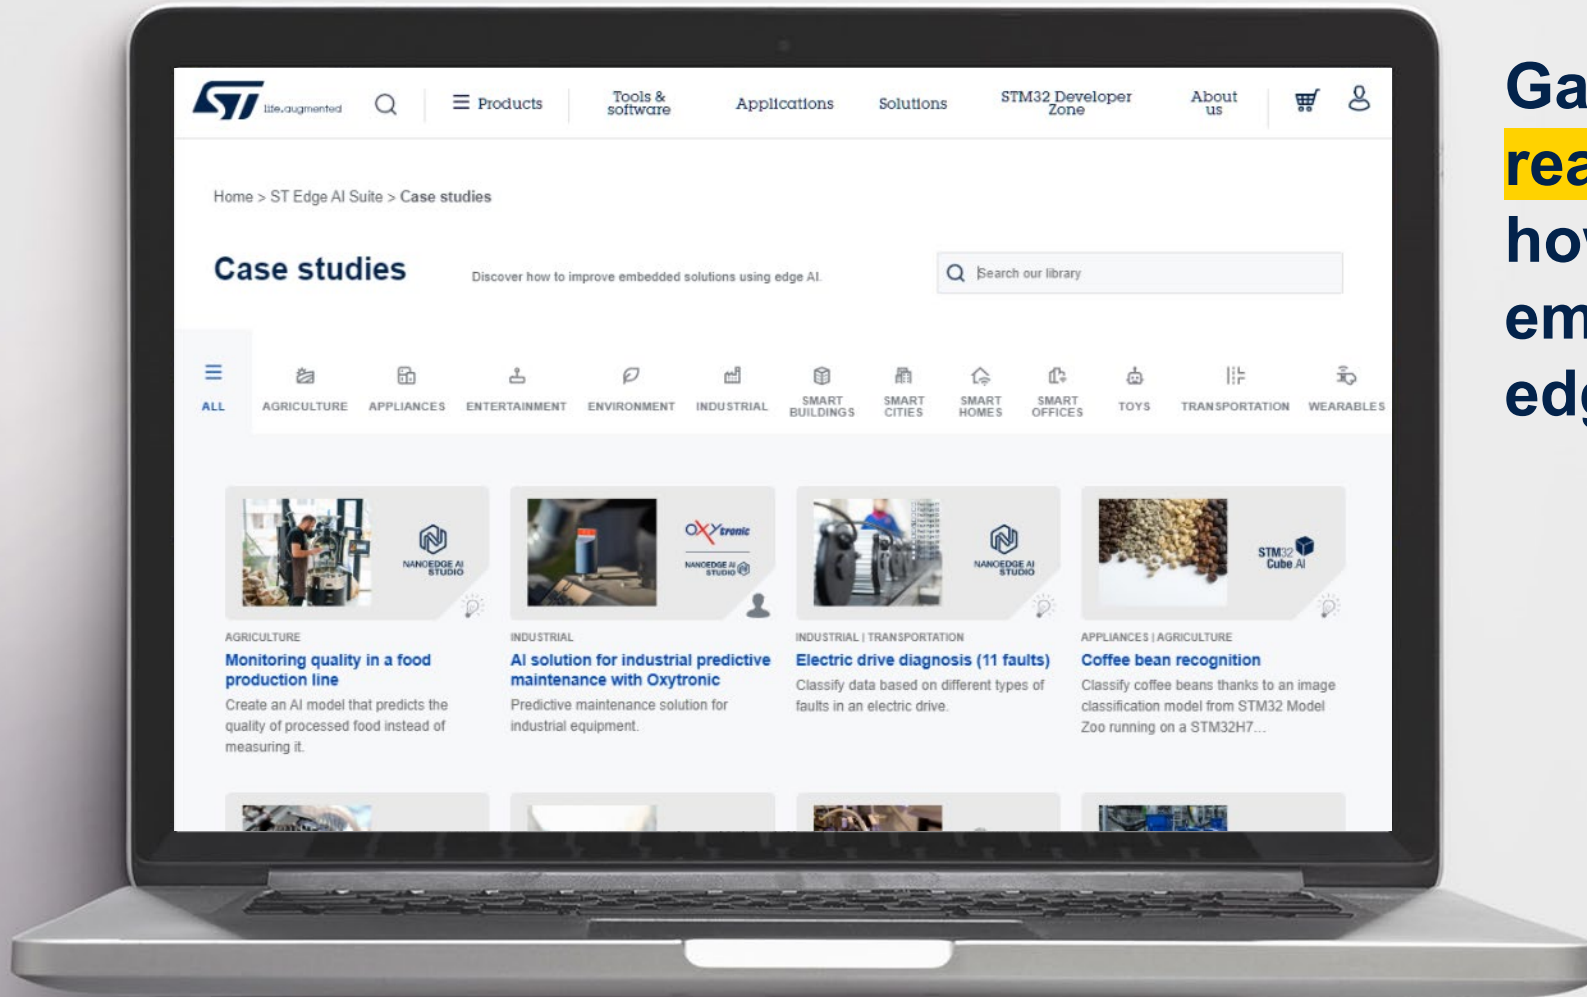

**Access to the enabling hardware and software for running edge AI on MCUs, MPUs, and smart sensors.**

**Empowering developers, data scientists, and product designers to harness the power of edge AI.**

**A digital experience available in English, Chinese, and Japanese.**

# Explore inspiring case studies

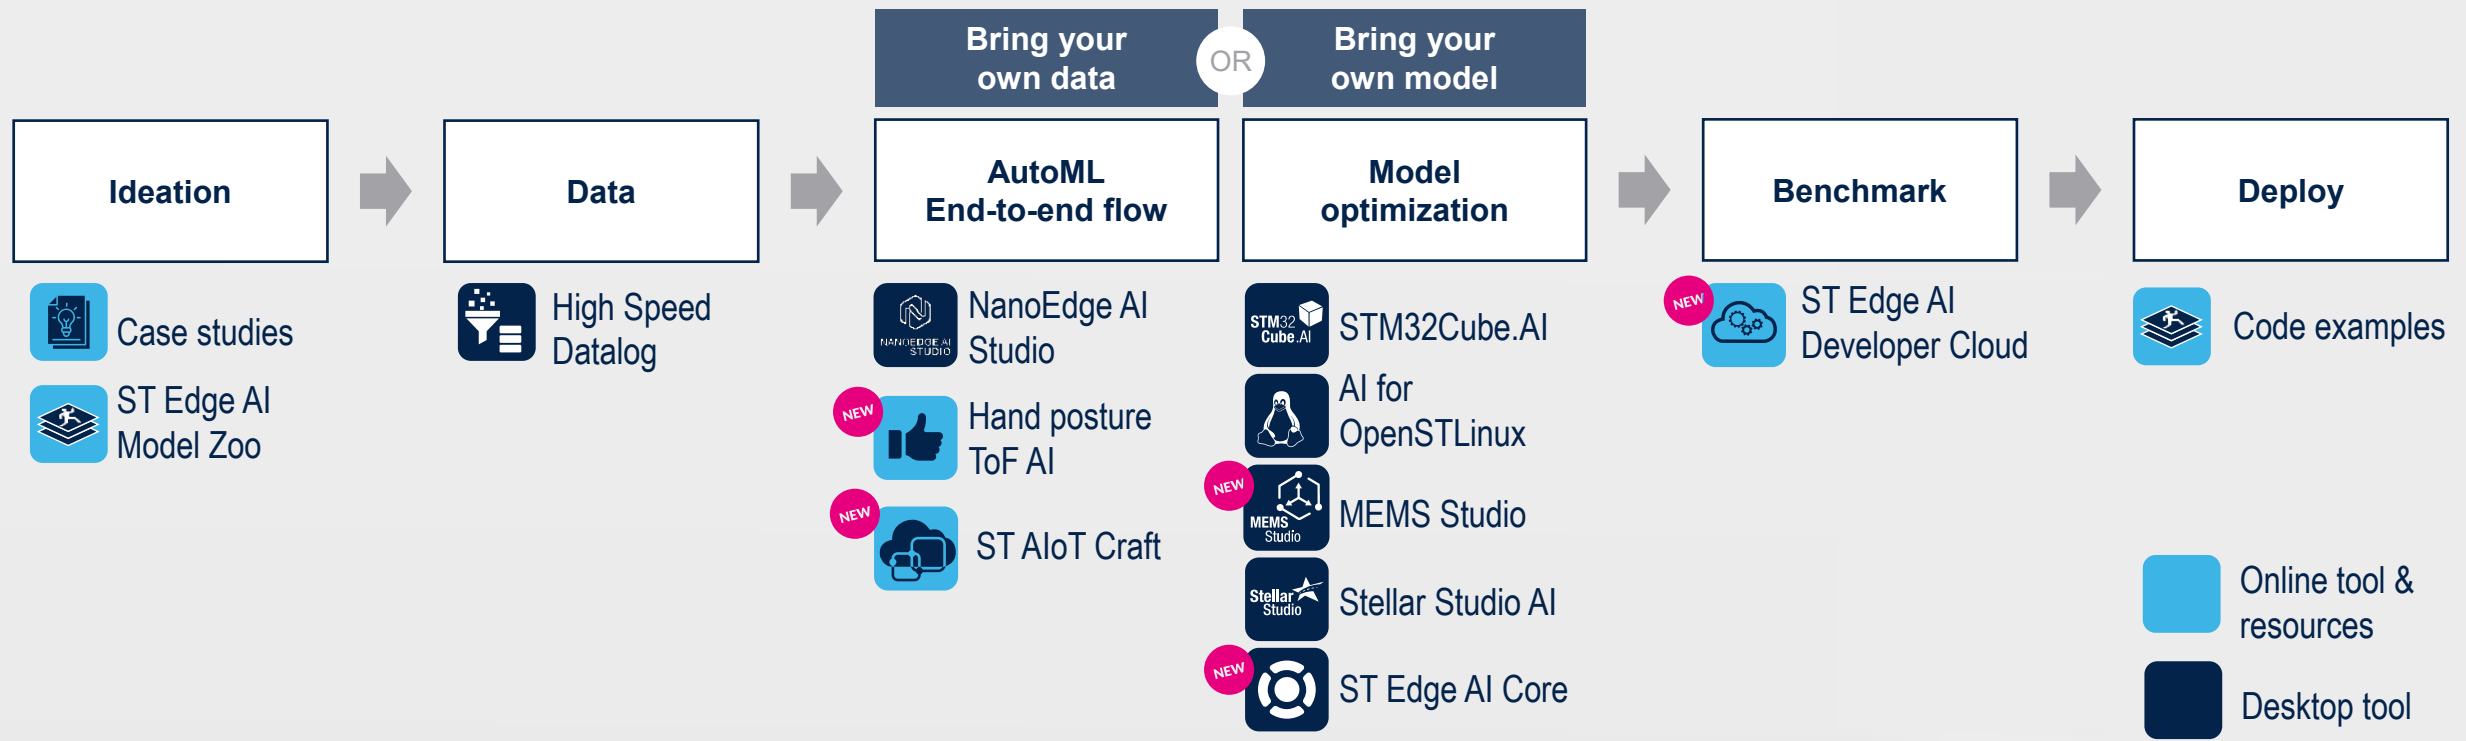

Gain **valuable insights from real-world case studies** on how to improve your embedded solutions using edge AI.
