STSAFE – Online certificates distribution

USER MANUAL v1

Agenda

Accessing the platform

1. Open the **camera app** on your smartphone or tablet.

2. Point the camera at the **QR code** on the STSAFE chips reel.

3. Tap on the notification or link to open the **landing page for the product**.
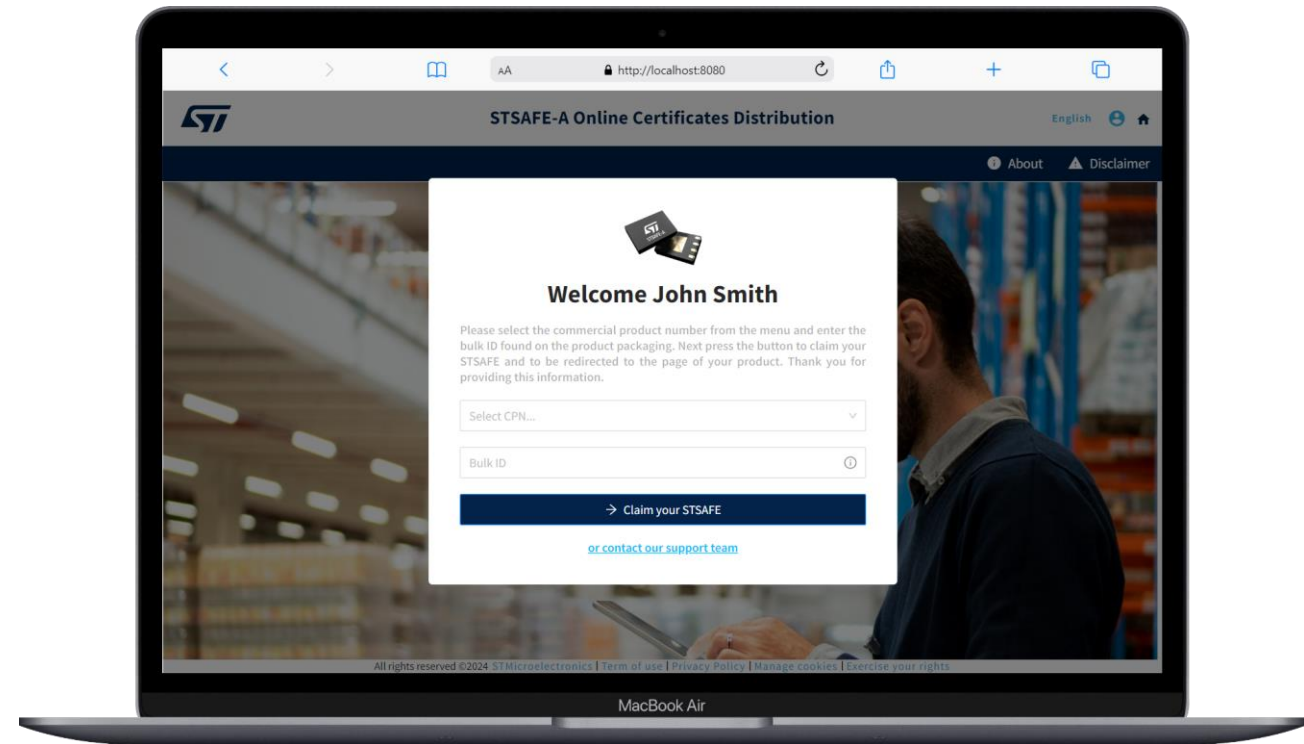

This is a QR code sample – do not use it

- You can **claim your product directly** using the form available on:

    https://eds.st.com/stsafe/?claim=1

- After tapping on the link, you will be **redirected to the landing page** for the product on st.com

- To access the full range of features and resources on the landing page, you will need to **create a new account or login** if you already have an account.

# Online certificate distribution platform

- The product landing page (desktop or mobile) is divided into **four main sections**:

  - the QR code information details

  - the getting started guide

  - the certificates downloads and email sending
  - the downloads history

QR Code information

This section shows specific details regarding your product, such as:

- SO Number
- Commercial Product
- Quantity
- Bulk ID

- This section shows a starting point and valuable insights of **ST33KTPM-IDevID** and **provisioning profile ST1**

- Clicking on the button the user can **download** our comprehensive **PDF** guide

Getting Started

For guidance on how to start using STSAFE, download our comprehensive PDF guide from our website to learn how to:

- Download X.509 Leaf Certificates of your STSAFE reel
- Download ST Root CA Certificate
- Get description of STSAFE OCD03 personalization
- Pre-attach connected devices to Cloud by associating X.509 Leaf Certificates with your accounts

USER MANUAL   OCD03 DESCRIPTION

- This is the page's interactive section:

  1. You can **download** the certificates .zip file

  2. You can **send** it to your email address

  3. You can **download** the Root Certification

     Authority for STSAFE certificates
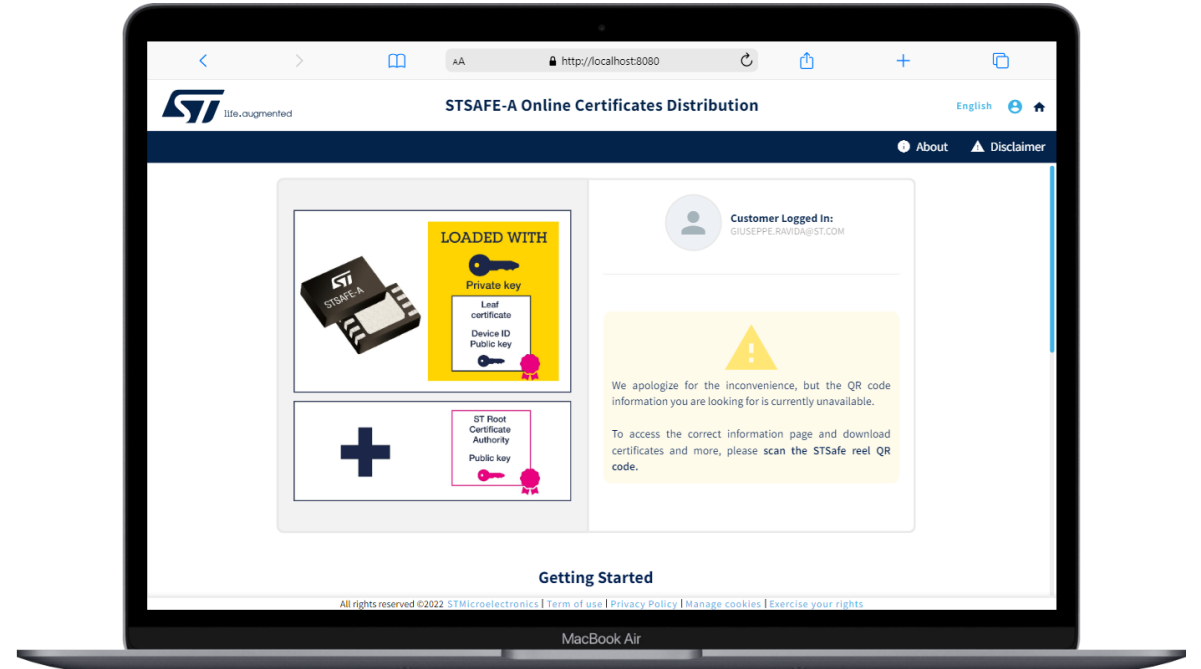

Downloads History

- The Downloads History section displays a record of **all downloads** made for a specific part number

- Each item in the Downloads History section includes the **user's reference and the date** of the download, displayed in days since the download occurred

Downloads History

You have **30 downloads** before the **06 May 2024**

You

Downloaded the certificate for STSAFA110DFRAV01

2 days ago

You

Downloaded the certificate for STSAFA110DFRAV01

21 days ago

Another one

Downloaded the certificate for STSAFA110DFRAV01

21 days ago

- If the URL coming from **QR code is corrupted** or something regarding the STSAFE reel is missing, you will land in a generic product page

- You can **download PDF** documentation or **check downloads history** as well
